

A Message From High Desert Medical Group

Dear valued patient,

We would like to take this time to remind you about the Medicare Annual Enrollment Period (AEP), that runs from October 15 - December 7. *This is your chance to plan and make necessary changes for the coming year.*

It is important to us that you receive **qualified** assistance in understanding the complex and numerous options available to you. With this in mind, our medical group has partnered with VIRA Insurance Solutions, a licensed insurance agency who can help you make informed decisions.

Please remember there is never a charge to use this complimentary service, there is no obligation to enroll, and a family member and/or caregiver are welcome to take part in the conversation.

VIRA Insurance Solutions licensed insurance agents offer their services at no cost to you.

Our goals are to help you:

- understand your options
- choose the plan that is right for your healthcare needs
- guide you through the enrollment process
- provide assistance all year round

We make your healthcare coverage our priority.
