

**"Paying for my  
prescriptions  
was getting hard.  
Thankfully, VIRA  
told me I qualify  
for extra benefits."**

**Medicare savings programs help people with limited income and assets pay for their Medicare expenses.**

As a licensed agent who focuses on Medicare, I can help you determine if you qualify for Low-Income Subsidy (LIS) or "Extra Help" with your Medicare prescription drug plans. If you think you qualify and would like to learn more information about LIS or "Extra Help", I can provide this information for you at no cost.

Please join me at my next free seminar and I will help you understand how the program works and show you how you can apply!

This event is for educational purposes only, no plan benefit information will be shared. For accommodations of persons with special needs at meetings please call (888) 676-9909 TTY 711, 9a-5p PST. By calling the number above you will be directed to a licensed insurance agent.
